

BKBIET — Fees, Hostel & Student Expenses Knowledge Base

For Smart College Chatbot • 2026–27 official fee figures, scholarships, hostel information and student activity costs

This document is a retrieval-oriented knowledge base compiled from publicly accessible web pages and PDFs available during the research snapshot on 24 September 2026. Official BKBIET sources are prioritized. Where an official current figure was not available, a clearly labelled secondary source is included. “Every information” is interpreted as a broad practical scrape/compilation of the publicly indexed information most useful for a college chatbot, not a guarantee that every page, historical document, image, or private portal has been exhaustively captured.

1. B.Tech College Fee — Academic Session 2026-27

The official admission page states that the following course fee is approved by the State Level Fee Determination Committee and may be revised by the competent authority. The listed structure applies to CSE, CSE (Data Science), AI, ECE, EE and IT branches.

Fee head	Semester I (₹)	Semester II (₹)
Tuition Fee	33,500	33,500
Institute Development Fee	5,000	5,000
Internal Assessment Fee	1,200	1,200
Facilities & Activities	2,400	2,400
Book Bank	900	900
Semester total	43,000	43,000
Processing Fee — one time	1,000	—
Development Fee — one time	3,000	—
One-time university fees total	4,000	—
Caution Money — refundable	5,000	—
Library Security — refundable	1,500	—
Refundable fees total	6,500	—
Grand total	53,500	43,000

The page notes that tuition/development/accreditation fee enhancements may be chargeable according to State Level Fee Committee guidelines. Therefore, the chatbot should treat the figure as a dated fee snapshot rather than a permanent fee.

2. Registration / Admission Payment

The registration page currently states a non-refundable registration fee of ₹1,500 payable online via IMPS/NEFT. It also publishes the institute bank account details and admission support contacts.

3. M.Tech / PG Fee Snapshot

Fee head	Semester I (₹)	Semester II (₹)
Tuition Fee	33,500	33,500
Institute Development Fee	5,000	5,000

Fee head	Semester I (₹)	Semester II (₹)
Facilities & Activities	2,400	2,400
Internal Assessment Fee	1,200	1,200
Semester total	42,100	42,100
Processing Fee — one time	1,000	—
Development Fee — one time	1,200	—
Caution Money — refundable	5,000	—
Library Security — refundable	1,500	—

4. Hostel

Official institute material confirms separate boys' and girls' hostels with a combined capacity of 1,000 seats, in-house mess facilities, wardens and 24×7 security. The current official public pages located in this research did not expose a current 2026–27 hostel fee table.

Historical official BKBIET admission material listed hostel fees starting at ₹28,500 per semester including refundable ₹5,000, but this is an older fee snapshot and should NOT be treated as the current 2026–27 hostel price.

A secondary fee portal reports estimated hostel charges for 2025 and explicitly notes that figures are estimates and meal plans may not be included. This is included only as secondary context.

5. Hostel Rules / Potential Charges

The student-policy page says hostel fees must be paid within the prescribed timeline and that vacating students must follow applicable notice, fee and security-deposit rules. It also lists restrictions on electrical appliances and states a 30-unit-per-resident-per-month electricity limit.

7. Facilities & Activities / Extracurriculars

The official B.Tech fee includes a specific “Facilities & Activities” component of ₹2,400 per semester. Public institute material separately describes clubs, sports, technical activities, fests, cultural activities, gym, yoga, NSS and other student-development activities. The sources reviewed do not provide a universal itemized fee for each individual event/club.

8. Payment and Fee Contacts

The institute provides online fee payment and publishes accounts/admission contacts. The official 2026 brochure lists Accounts, Fees & Scholarship, Admission, Training & Placement, Principal, University Cell and hostel contacts.

9. Chatbot Data Rule

For fee answers, always return: academic year, programme/branch, fee type, amount, whether one-time or recurring, whether refundable, and source date. Never merge an old hostel figure with a current college-fee figure.
